Cabal Rituals + 6 Stratagems

CABAL OF SORCERERS

If your Army Faction is Thousand Sons, at the start of your Shooting phase, models with this ability can attempt Rituals. Choose a model that has not attempted a Ritual this turn and a Ritual no model has attempted this turn, then take a Psychic test.

Psychic test: roll 2D6. You may Channel the Warp by rolling one extra D6. If you Channel and roll any doubles or triples, the model's unit suffers D3 mortal wounds. If the model survives, total the dice; if the result meets or beats the Warp Charge, manifest the Ritual.

WC	Ritual	Effect
5	Destiny's Ruin	Enemy within 24" visible: TS/Scintillating attacks re-roll Hit 1; on 10+ re-roll Hits.
6	Temporal Surge	Friendly TS/Scintillating unit within 24" visible and not engaged makes a Normal move up to D6"; on 10+ move up to 6". Cannot charge this turn.
7	Doombolt	Enemy within 24" visible suffers D3 mortals; on 11+ suffers D3+3. Lone Operative exclusion outside 12".
9	Twist of Fate	Enemy within 24" visible: TS/Scintillating attacks improve AP by 1; on 12+ improve AP by 2.
